

JULY

OUR "ONCE UPON A TIME" RECITAL was absolutely awesome!!! Our 3 Recital Shows truly showcased our growth & talent as all dancers worked so hard this year. We are thankful for each of our dancers & dance family. It's always a joy to share our love of dance. Thank you for all the teacher gifts, all the fun, laughs & many wonderful memories! We are so blessed- He has done wondrous things...Psalm 86:10.

If missed our 1st Audition in June, please pick up information at the front desk & fill out for approval. This audition is free for any of our ATTD students enrolled at this time. Any student not enrolled for the month of July will be charged an audition fee of \$45 in order to participate & audition. Any students with an account balance must be paid in full before auditions. Dancers 5 years+ with minimum of 1year dance experience are welcome to audition for our new Dance Team.

MONTHLY TUITION: We appreciate your dedication to ATTD & the choice you have in keeping your children enrolled in our studio. As another year begins, our studio rent continues to increase again. We have not raised tuition in these past years and will not raise tuition once again this year, although, we require all tuition paid on time monthly in order to keep spot in class/classes.

STUDENT PLACEMENT FORMS: Teachers are assessing all students this summer & will hand out placement forms at the end of July when the new Fall Schedule is posted.

2013 FALL REGISTRATION: Classes will be limited, please register to save your spot for the Fall. The annual Registration Fee will be due for all students in August. Please see the front desk for any updated information. Accounts with a balance of 30 days past due will need to be paid in full before the student attends class & registers for the Fall. Thank you.

SUMMER 2013: We are excited to offer specialized summer classes & happy to have a guest teacher, Kenson Thoi, from Scottsdale to teach Hip Hop Tutting.
